This communication is in response to the Office Letter dated 8/11/03.

A close perusal of the Office Letter dated 8/11/03 does not disclose a problem. There is shown in the amendment filed 7/25/03 a separate sheet for the cover letter, another for claim 11 as amended with the word fixture (which was inadvertently omitted from line 10) added, and a sheet showing the present status of all claims. The sheet containing the Remarks was combined with the amendment sheet, a separate sheet containing the Remarks and a separate sheet with the amendment are now presented.

It appears that the application is now in condition for allowance, only the word fixture in claim 11 was needed, this has now been corrected. The separate sheets are now in the case, and if any other changes are necessary, the Examiner is requested to contact the undersigned so the case can be completed.

Respectfully submitted,

A handwritten signature in cursive script that reads "John B. Dickman, III". The signature is written in dark ink and is positioned above the printed name and title.
